“ *Paul,
My friend, brother, my respect mentor. Your love in my life was such a blessing. I love you very much. I will always remember the laughter we had in your garage shooting pool. Talking about family, God and those we love. I appreciate you letting me in your life and all the things we got to share. My wife and I will always speak to you for eternity. We spoke last about 1 March 2015 and you said you were not doing good, but you sounded better than for quite awhile. Well, we all do usually know best. My love to you my friend. Erica and I will join you soon in Gods time. May your laughter echo in our lives forever. You were always a blessing to me and I will see you soon.*
