“ I have many memories of Paul. He and Glenda would always watch for my grandmother to come home safely from Bingo after my grandfather passed away. He and grandpa always discussed the apple trees progress and trade out tomatoes and apples. He would ride around later in years on his 4 wheeler to patrol the area...lol He stop and talk to me if he seen me out. He worked with mom and was always willing to lend a hand. He will be missed in the neighborhood.

“ We loved Paul so much, he was basically family to us. I could go on for hours about all he did or was during our time knowing him. My kids looked up to him and were always going to see their Paul. I'm very grateful for all the stories and gardening tips he gave me over the years. I'll be sure to grow a stripy plant for him every year.

My prayers are with all that loved him!
