“ *Paula was very good to me and my family! She would do anything for you if you needed help! She watched Nathan "Bud" for me when he was little and I never worried about him except for how she wld make him even more spoiled than he was already! She would spend her last dollar on you if you needed it! She even would make her famous meatloaf and treat us for lunch at the old Matoaka Drug Store! She was honest and would always tell you the truth even if sometimes you didn't want to hear it! My heart goes out to all of her family especially Jack. She loved him and always bragged how blessed she was for him. No doubt she loved her family a lot! Anyone that knew her knew how she felt about those close to her. lost touch with her thru the years but she always kept in touch with my family and kept up with me! This world has lost a great person but heaven has gained her! She no doubt will be missed! Love & Prayers*

“ *Since Iris posted this on Wednesday, I have been flooded with childhood memories of Paula and all of you. As a matter of fact, most of my childhood memories revolve around your family, and it makes my heart smile now to think of you. I pray GOD's Peace, Strength, and Comfort on each of you as you say goodbye to Sister Paula... I will see her again someday, until then I pray memories of her warm your hearts as much as they have mine. GOD Bless.*
