“ I will always remember going to her house in Matocka with my Granny, Evelyn. We would eat and they would tell stories of when they were little girls. I did not always act like it but I appreciated those times with my Granny and her sisters, especially Polly and Ellen. I miss them so much and my prayers are with Polly's family. I wish I had kept in touch more.

“ Teri and Family,

On behalf of my brother John and me please accept our deepest sympathy on the loss of your wonderful "Mommie". You are now orphans like us but we will never forget how good your mom and dad were to us when we were kids. I will never forget that summer when I was ten and got to to spend a summer week with you in New Jersey and Aunt Polly treated the little mountain girl like a princess. Well she treated me like you and actually did allow us to buy tiaras for our heads with short hair cuts. My hair was baby fine and had no fluff up but then Polly painted my nails and I still got that happy princess look when your parents took took us to the ocean ,Atlantic City.I was so wowed and told the folks back home about the boardwalk the beach and how we bought salt water taffy when your parents went on the rides. She and Boyed went on the bullet ride after lunch. Polly just laughed while shaking the relish out of her hair because the hot dog did not agree with Boyd and the spinning ride. She said no way were we girls going on that ride as we were in a cotton candy eating contest.

John has fond stories of Aunt Polly too but he is on his way home from Afghastian on his way to North Dakota. He remembers how well she treated him when he lived in Delaware.I think that of all us nieces and nephews Polly might have favored John a bit.

We send you prayers of comfort at this difficult time.

*Love,
John Cook and Edie Warwick*
