“ *RIP Pauline, To a wonderful person and friend who we had over 40 years of spending time with and always having a good time when we were together. We always had a good time every where we went. I sure will miss you. You are with the angels now*

“ *RIP Pauline. It's been a long time since we last talked but my memories of you are fond. You had such a special personality--you never met a stranger. I still have the pins that you gave me so many years ago. God bless you and your family. You will never be forgotten.*

“ RIP Pauline. A wonderful friend to my mother Margaret (Eskut) Schlinz, also 97 years old. Margaret passed away August 19, 2017, and was interred at Grandview Memory Gardens in November. I know that Pauline would have attended her services if she could have. The end of a era. I must mention that Pauline had another wonderful friend named "Christmas Joy", her beloved fur baby. She loved that little one as did Jeeter when he was alive. Joy was the most important "being" in her life, even more so than friends and family. Joy was omitted from Paulines obituary thru an oversite and Pauline woud have been upset if she would have known, so I thought I would add the name of the love of her life in the Memory section. Tahe care Joy, you will be with Mommy soon.

“ My heart is so sad today. I will miss one of the favorite people in my life. She bought sunshine with her jovial personality. We have many shared memories over the years, I will miss her more than I can ever put in words.
