“ *When you marry someone, you marry their' family and I got lucky on both counts. Phyllis welcomed me with open arms and an open heart and I always felt a part of the family when I came "home to Princeton". "You're just as nutty as the rest of us, you'll fit in fine", she once told me. Holidays and family gatherings were always lively events full of laughter, banter, and hijinks. Phyllis was a great cook and you always had a full stomach and leftovers when you left the Martin house. You couldn't ask for a better Mother-in-law. Phyllis, you'll be missed but now you're in good company. Say hello to Bill for me and tell Paulette I love her. Love, AJ*
