“ *We spent a month together during the summer of 2013 & we had a blast! Rachel always had a huge smile on her face & was always looking to have fun! Rachel had a way of finding fun in the simplest things, whether it be out tanning or fixing our hair. That month of us as "step sisters" was the best. I'll always love and miss her sooo much!*

“ Rachel, she was like my girl for 10 years, she still kept in touch on facebook or me and the boys would get the occasional call from her. We loved her so much, and her dad, mom, and drew know how much I loved her. I know she loved us too. This time of year is hard enough to try and be strong and its been super hard on me and everyone else that she was close too. Prayers for the family for I know they are truly having a rough time, but we are here for you all if you need it. God Bless you Rachel until we meet again.

“ Met Rachel in 2010. She showed me the ropes at Tudors. I got the privilage to be in her life for two years at work and got to know her children and family. We unwind from work a couple times and evon spent summer days by the river fishing.. After Racheal moved on from Tudors we still kept in touch through the years on Facebook. Racheal had a smile that could light up the sky and personality that you automatically fell in love with. Always positive and had the most beautiful soul of any one person I know. My condolence goes out to her children and family. Aswell as in my thoughts and prayers.

“ *So sorry for the loss of this family.*

Words can not begin to describe what you guys are going threw.

Rachel was such a great girl! A great friend! I will never forget all of our fun times together and all of the laughs and tears that we shared in our conversations! Although I did not know Rachel as long as most of you did she was the type of person that could make a difference in your life with just her pretty smile. She will never be forgotten!
