“ Fuzzy and I went to school together, played football and basketball together, rode bicycles together, got in a few fights as kids, raced cars together as teenagers, and remained friends throughout our adult life. I always enjoyed talking to him and valued his friendship. He was a good guy who always took the time to talk and listen like a friend should. I will miss my buddy and always remember the good times we had growing up in Covel.

Christmas has been a busy time, and I didn't know that Ralph has passed away. We went to school together, and I always thought he was a happy, gentle soul. I hadn't seen him since we graduated many years ago. It still touches me to remember his beautiful smile and sense of humor. I am so sorry for your loss. Cathy Mckinney Adkins
