“ *My deepest sympathy to you all. I do so wish I could be there. I remember the wonderful fun times we would have when we would visit each other. Loved going to west virginia when we were small. Randy and brenda moved to ohio and made it easier to get together. I always teased randy that he had the shiniest shoes like his daddy. Kind fun loving man. Glad to see him at mothers funeral. God bless you all. Love you*
