“ *My heart was broken when I saw Reid had passed. I was once a “groupie” of the band. Had a major crush on Reid. Girls liked the “ boys in the band”. As we got older Reid and I had many great conversations. He was sweet, kind, and always a gentleman. Somehow I thought I would be able to sit and chat with him again and reminisce on those days long ago. Im sorry I never got that chance. Fly high my friend.*

“ Many of us, members of Pi Kappa Alpha Fraternity at Concord, were friends with Reid via his sister Karen and brother-in-law, Rik Bumgardner. Reid was well-liked and joined in many of our activities always having fun sharing his warm personality. We morn his passing; but are thankful that our life paths crossed during those carefree days of college.

“ I have many fond memories of Reid when I helped out Cross Roads Band many years ago. Reid was always so much fun to be around. He constantly made me laugh. He was a fantastic musician and a true hippie at heart. Rest easy Reid... hope to see you again someday.

“ Reid was a kind person, always willing to share a kind word. He was a free spirit who loved music and art. Although he parted this earth far too soon, I know that he is no longer suffering. Rest in peace, Reid.
