“ *Richard was such a kind caring funny uncle that we loved so much. We have such fond memories of staying the night when we went to WVA and he always made us feel so welcome. We remember how good he could sing. He had a contagious laugh and great sense of humor. He loved and cherished his wife kids and grandkids and he had a special bond with all his siblings. We were so grateful of the love he had for our dad. He was Mothers baby and such a special person. Our prayers and thoughts are with the family. Love, Coleen and family*
