“ Bob, I know that you and I had not known each other for long but you are the kindest and most selfless person I have ever met. The world is a lesser place without you in it. I will think of you often.

“ My sweet man, I will always be BobMac's angel. I have been truly blessed by the Lord himself to have you as my husband and the love of my life. I will be eternally grateful for all that we had together in such a short time. We loved and lived our best lives every day cherishing life in a way everyone should. You will own my heart until the Lord calls me home and then I will be running thru the pearly gates to hug and kiss you again.
