“ *.Brenda and I are so sorry to hear of Buddy's passing. Our fathers were friends and as children we visited their home often with our dad. But, it wasn't until high school that we got to know Buddy. He was always easy to talk to and never in a hurry. Only heard him preach one time but his love of the Lord was well known. He will be missed. Carol, we will be praying for you and your family. You've had a long marriage and that is a credit to you both! Hoping to make it to the graveside service. We love you.*

“ My Cousin/Brother Buddy! A lover of the Lord indeed! I will never forget the day he pulled up in my driveway at Basin, got out of his truck and grabbed some tools and went to work, helping me put soffit on the porch of the house that i had built. Eight hours later, when we had finished and I was thanking him for the help and fellowship, he said, "I sure am glad you called me this morning to come and help you, because I have enjoyed myself". I replied, "Buddy, I didn't call you, musta been someone else". He said, "wow, that must have been my brother, I'll bet he is wondering where in the world I am, because I told him I would be right there." We have another chuckle and he left, trying to figure out how to explain how he made that mistake. Everybody had to love Buddy!
