“ *I am so sorry to hear about Robin.. we were classmates and friends. She was very sweet and a remarkable person. I know she suffered with fibromyalgia and we had that in common. It is a hard disease to live with and she lived with it a day at a time. Always a delight to be around and talk with. You guys are in my prayers and thoughts. Sonny and Karen Owen*

*I was sorry to hear that Robin passed away. I understand that she was fighting Depression. When I was Manager of the First National Bank on Stafford Drive- Princeton which was later First Century Bank Robin was one of the first employees that I hired. Robin was a very sweet person and she fit in with the rest of the great employees that worked at the bank. Robin enjoyed the good times that we had at the bank. She loved Christmas time she would help me decorate the bank and we would draw names and share gifts and food. I can still remember her beautiful smile. the three of you are in my prayers. Keep the Faith and love that Robin had. Always remember that God loves you and will never leave you.*

“ *I remember meeting Robin when my dad, Marshall Lytton was Manager of the "First National Bank of Bluefield on Stafford Drive. She was an awesome person. She was always so kind and went out of her way to greet everyone and make them feel welcome. I also was happy to work with Robin at BB&T, to once again she spoiled me and even bought me the cutest skirt and top on a shopping spree, when I couldn't get off work to go. She will be greatly missed. I hate that we all are experiencing this loss, the only thing we can be happy about is she is no longer suffering.*

“ Robin and I started working together at the Stafford Drive location of First Century when it was "The First National Bank of Bluefield" (1986). Robin was always the first one to decide to decorate our lobby for Christmas - we were both still unmarried at that time - and she always talked about how they had "upstairs" and "downstairs" Christmas trees at home. There were customers who only wanted to be waited on by Robin - she was so very patient and sweet - with a great sense of humor. Our thoughts and prayers are with you all.
