“ In keeping with the spirit of Ronald, We went to Florida years ago, I told him it would be hot and he needed some shorts, He said he worked in the woods and was used to the heat. after a little while on the beach, I got to missing him, Looked around and he was at a trash can with his pocket knife cutting off his britches making him some shorts... He was a funny good hearted country boy and good friend. To the family, thinking of you all.
