“ *Ronnie and I were members of the Class of 64 at Herndon High along with 50 others. I believe we had every class together for 6 years. He was an excellent student but most importantly he was a great guy to be around. He never had a bad word or action against anyone. He enjoyed school and had the best school spirit. I have not talked with him in decades but I remember him as if we left Herndon last year.*

My sincere condolences and sympathy to his family and friends.
