“ I had the pleasure of working with Ronnie for 33 years. They don't come any better than Ronnie. He had a song in his heart and a cheerful outlook on life. The glass was always half full. You couldn't really know him and not like him. He did so much to help develop our business in the southern part of the state. What he said was his bond. I will miss him-everyone at Jeffers who knew him will miss him and I will never forget that smile!
