*My wife's granny Ruby always had an amazing garden behind her house by the apple tree. Her cellar was always stocked with veggies, and jams that she had canned. I've learned a lot about granny from my wife as she spent many summers here as she grew up. When we visited granny she had all kinds of stories of the area, people, & family. Her stories always amused me. We will all miss granny as her house was always open to us any time we came down here.*
