“ *To the Neely family: It was with great sadness that I read of Ruby's death. I was a patient at Glenwood twice, and I will never forget Ruby. She loved playing Bingo, and her laughter was contagious! My deepest sympathies to her family. I remember Dana coming to visit her mother often!*

“ Thank you for your kindness. I will always cherish the few months that we lived with you after daddy died. You opened your home to us when you didn't have to. I wish I could be there. You never know how much someone means to you until they are gone. Again thank you. Too all the family I am sorry for your loss.
