“ *My sister was the most wonderful person. Even in her final days she seemed to always care more for others then herself. I can not thank everyone enough for showing all of their love and support in her time of passing. she will be forever missed by so many people. thank you. LIZ*

“ *Sabrina was a great person. I remember when we were growing up she was our Beanie. We all had our ups and down but now my cousin is in Jesus arms. We may not have agreed on a lot of things in the way life should have went. But God knows all.*
