“ Matthew, so very sorry you for your loss. Sheryl was a special lady and I can remember working with her at Blue Flash. She was always there to help you with anything, even working weekends. You have great memories with her, that know one can take that away from you. If you need anything let us know. God be with you.

“ Matthew, I am so sorry you have to go through this. I hadn't known Sheryl but a couple of years but what I remember most is she always had a smile on her face. May God be with you during this difficult time and remember you have your church family. We love you. God bless you and may Sheryl Rest In Peace.
