

Stefan Bailey

January 26, 1965 - November 30, 2023

PRINCETON - Stefan "Butch" Bailey, 58, of Princeton, formerly of Lashmeet, passed away on Thursday, November 30, 2023 at his home. Born January 26, 1965 in Princeton, was the son of Doris Jean Bailey of Princeton, WV and the late Melvin "Sonny" Bailey.

In addition to his father, he was preceded in death by an infant brother, Jeffery Scott Bailey.

Stefan was a former employee of Volvo Trucks North American in Dublin, Virginia. He loved spending time with his family and when he was able, especially loved hunting and fishing with his brothers, cousins, and friends. His later life was brightened by his two nieces, who he loved dearly. Anyone who was blessed to know him knew his sarcastic wit and humor was accompanied by a heart of gold. He will be missed and loved always, until we meet again.

In addition to his loving mother, survivors include his brothers, Stacy Bailey and wife Carolyn of Rock and Shannon Bailey and wife Peggy of Princeton; sister, Tracy Barnett and husband Matthew of Princeton; and nieces, Savannah of Rock and Baleigh of Princeton; his honorary sister and brother, Sharon Kay Barnett and Steve of Spanishburg; as well as numerous beloved cousins, uncles, aunts, and friends.

There will be no services at the funeral home. In lieu of flowers, the family asks that his generous spirit be honored by donations to Warm a Heart Give a Bed in Princeton, WV.

Arrangements by Bailey-Kirk Funeral Home in Princeton. Online condolences may be shared with the family at www.bailey-kirk.com

“Let Me Go”

When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?
Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.
For this journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.
When you are lonely and sick at heart
Go to friends we know.
Laugh at all the things we used to do
Miss me, but let me go.
