PS

“ I loved Steven's big heart. He would have given the shirt off his back for a loved one. Every time i saw him or talked to him, he always said " I love you, I really do. Let me know if you need anything. " I will miss his sweet spirit.

I like how everybody talks so highly of this rapist. Him and his twin brother made mine and my 3 sisters lives a living hell. Ruined our childhoods. He was none of these things yall speak of. I just hope he suffered. That whole family was screwed up in their heads. Everybody knew what they were doing to us and still chose to brush it off and do nothing!!!!
