“ This is Julie Long, formerly, Julie Gross, I remember when I was 12 or so years old, dad would tell me to walk to the post office. I walked the tracks to Sues house, and she would walk with me the rest of the way on the road because I was scared of the big coal trucks that would go by. She never once told me no, she was so sweet and humble, I loved her so much. She will be missed a great deal. I'm so sorry for the family. Heaven got a little sweeter with her there.
