“ *Growing up we weren't just cousins but friends. I was a bridesmaid in your wedding as you were in mine. We had our first babies around the same time. As time went by we were busy with our own little family's and didn't spend as much time together. I hold good memories in my heart. My very special memory of you is your beautiful smile. Those dimples were breath taking. I will see you again soon so be sure to save me a place with you and Grandma Whitt in Heaven's Flower bed!*
