“ All though it's been years since I've seen Tammy , I remember her and Shannon taking me riding on their dirt bikes, out of the holler we lived in on Cemetery Hill. Though we weren't blood relatives, we were bonded thanks to Lacy's mom and our Slone family connections. Thoughts and prayers for your families!

“ *Although Patty and I only met Tammy on a few occasions, it was quickly evident what a special woman she was. Her attitude toward life is clearly a model for how people who are afflicted with disease or grave illness can view the world. We truly adored her smile and laugh and sense of humor. She will be sadly missed by many people whose souls were touched by her spirit and love. May the memories of her life continue to remind us all of what is good in life. God rest her soul.*
