“ *Teresa I will always remember you with love and laughter. Being with you was always was an adventure. I remember so many things, talking in Mr. Allens class until we were called out in the hall for our daily paddeling. When you were told to spit out your gum in class you would wink at me spit toward the trash can and smile, when the teacher continued on with the lesson I saw you chewing up a storm. We were walking in the woods by your house and you grabbed a stick , starting beating the ground I was like what?? You reached down picked it up and said it's ok just a snake. Teresa you were the bravest person I knew and I always looked up to you, I love you so much and I will miss you forever. Your best friend Janet Reed*
