“ Theresa was an amazing young lady. She taught me so much in her illness; especially endurance. She had the most beautiful smile and outlook on life and it was contagious. Matt, Briann and Joey are a product of her kindness, love and the love of the Lord. I will surely miss seeing her smile, but will always remember her as the person that she was. I will be thinking and praying for her family as they go through a tough, trying time, but be assured that they will see her again one day.

Love to all the family,
Jeanne

“ Theresa and I had some great times together. We had alot of fun being teenagers together. But I will never forget the big 4 wheeler wreck we had. We were a mess. We hurt so bad and had so many cuts and scrapes but we looked at each other and laughed. We knew we were in big trouble. I have many more but that was a big one. RIP Theresa. Praying for your kids and family thru this hard time.

“ Have you ever met someone who lit up a room when they walked in? You did if you knew Theresa. Her smile and laugh was contagious. I always knew that angels roamed the earth. and she was one of them. Webster has a definition for "friend" and "kindness", however, if he met Theresa he would have had to extend his definitions. Her generosity could not be counted on ones hand. She never met a stranger. I will cherish all the times that we spent with each other. Her family is absolutely beautiful. I believe that is why she was as happy as she was here on earth. To the family, I am so sorry for the pain that you are going through. I wish I could take it away. My love and prayers to you all. I will never forget Theresa. Heaven gained the sweetest angel on earth! I love you Theresa girly! I am gonna miss you! See you in Heaven one sweet day! Cant wait to see that beautiful smile and hear your wonderful laugh again!
