“ So sorry for your loss. Our thoughts and prayers are with the family at through this tough time. He was that beautiful white rose that the lord looked out and saw and said that is the one I will pick today. Tony was a family friend and co worker for years. Many years of memories with him. Will be missed dearly.

“ When I was a teenager, Tony would take me 4 wheeling in this big Chevy truck, if there wasn't a road he made a new one. I remember him driving across a railroad bridge and myself and Amos were terrified while Tony only laughed. He as fearless. I'm sure he will be missed by all....

“ *My heart goes out to you all... I cant put into words how sad this Great Loss makes me... Tony was there to help me when I really needed him and when no one else could. He has left a great gap and a void that will never be filled. He has touched so many lives and has many Friends. Tony was a hard worker and was a Wonderful family man and provider. He lived for his family. His passing is beyond belief. May he rest in peace and dwell in the house of the lord forever. We Pray for all the family and friends that will miss him so deeply. Amen...*
