“ *So many memories of Wade. I actually met Wade before I met Dave. I am so sorry for your loss. I was just caught so off guard today when I found out about his passing, just so deep in thought of his and Dave's history along with all of their other Covelonians and Herndonians. Dave did love him like a brother. He will live in infamy in Wyoming County.*

“ Wade and I went to school together, when I lived in Covell, then we went to high school at Herndon together. In the third grade, I had a cough, went over to see Dr. Penn, who gave me some cough syrup. Wade told me to drink more than I was drinking, Being a typical third grader, I drank more, went home for lunch, and never came back to school that day. Always remembered that incident, and thought I would tell him about it someday when I saw him again, so we could have a good laugh. He was always fun to be around. I never saw him again after we finished school. My heart goes out to his family. You will be in our thoughts and prayers. God Bless you!
