“ As a child I remember when Wiggles was born. I always enjoyed our time together. When I would go to the mountain, he always came to see me. He was one that always helped us clean up the cemetery. Wiggles, fly high my sweet cousin. I will always love you.

My heart was broken when I moved back to the area and was told of Wiggles' passing. I could not find a better friend anywhere. We shared many memories and no one could make me laugh harder than Wiggles. There is such an empty place in my heart. He loved me and my sons in a way most would not understand but he loved no one as he did his mother. Freda, I am so sorry for your loss and for mine. Love ya
